

BUTLER COUNTY PRESERVICE TRAINING 2018

We are pleased to announce that our Foster Care/Adoption Workshops have been scheduled. This training is an agency requirement for all who plan to foster and/or adopt children through this agency. All prospective foster/adoptive parents, either single or both husband and wife in case of couples, will be required to attend the training in its entirety. The foster/adoption of special needs children is an exciting and challenging undertaking and, therefore, required appropriate preparation on the part of the parents. The first class will be an introduction to the Child Welfare System and an overview of our programs.

****You are not permitted to bring children to the classes. The nature of the material is not suitable for children.****

You will also be required to sign off on local Background Checks.

All training on this sheet will be held at

**Butler County Children Services
300 N. Fair Ave, Hamilton OH 45011**

You will need to register for the round you would like to take.

You can log onto our website to register:
